- **Make Colorful Cards**
For us to share with families who receive food from us. We respectfully request that the cards be non-religious in nature as we work with a very diverse group of clients.
- **Thrift Shop Volunteer Group**
The Thrift Shop Group opportunity is great for companies, clubs or even families with older children. Anyone 16 or older is welcome. Children volunteers age eleven and up are too, as long as they are accompanied by at least one adult for every two children.

Please contact the Volunteer Coordinator with any questions about youth volunteer opportunities.
