## BeverlyBootstraps EMBRACE · EDUCATE · EMPOWER Community E-Newsletter August 2023

### We couldn't do it without you

During the week of July 21, our Food Pantry experienced an unprecedented surge in demand, with a staggering 940 individuals from 400 households seeking assistance. This record-breaking number of visits highlights the pressing need for accessible food resources in our community.

"The prices for groceries have become unbelievably high. Before, I could afford food for my entire family without any trouble, but now it's been really hard, and we really need help." Gary\*, a new Food Pantry client, shared with us.

We can't do this alone. You have the power to make a significant impact for those facing food insecurity. By coming together, we can replenish our Food Pantry shelves and ensure that everyone has access to nutritious meals and create a healthier, more nourished future within our community.

Book Bonanza 2023

On Friday, August 14, we held our 2nd annual book fair and brought joy and inspiration to many young minds in our service area. Kids eagerly joined in, picking out their summer reading favorites, including their required summer reading books.

Representatives from the <u>Beverly Public Library</u> provided information on how to sign up for library cards and about the library's enriching summer programs. In addition to the books, there was a bookmark making table where kids created personalized bookmarks.

Our heartfelt gratitude goes out to our donors, volunteers, <u>Copper Dog</u> <u>Books</u>, <u>Book Shop of Beverly Farms</u> volunteers from <u>North Shore Bank</u>, and the Beverly Public Library for making this year's book fair a success! We couldn't have done it without your generous donations and incredible help. Thanks to your unwavering support, local kids have fantastic summer reading books to dive into!
