

January Happenings

Whew! We made it. Not only that, everyone contributed so much during the crazy crunch time. YOU should be very proud of your contributions to meeting our mission.

One of my favorite quotes is:

"Never underestimate the power of a small group of committed people to change the world. In fact, it is the only thing that ever has."

~ Margaret Mead

Our efforts definitely make our community better and we have no idea which child we are feeding now who will go on to do big things in the world.... your efforts matter!!
