AGENCY UPDATES

Welcome Richie!

We are thrilled to welcome Richie to the Beverly Bootstraps family as our new Director of Client Services. His passion for helping families and individuals reach their full potential aligns seamlessly with our mission, and we can't wait to see the positive impact he'll bring to our team!

Beyond lending a hand to the community, one of Richie's talents includes discovering unbeatable bargains that are simply irresistible. Whether you're in search of the finest deals on high-end clothing, household goods, or dreamy vacation packages, look no further – he's got you covered. With a heart set on Italy, he plans to explore Sicily after falling in love with places like Cinque, Terre, and Bologna. A dedicated coffee enthusiast, Richie favors the bold simplicity of Dunks, adding a festive twist of peppermint mocha during the holidays.

CASE MANAGEMENT

Case Management is currently in the process of hiring another full-time case manager to help meet the needs of clients!

EDUCATION

Adult Education classes continue throughout the month of March. **ESOL** classes are full but will continue to enroll students from our waitlist when space becomes available. The demand for **HSE** tutoring continues to increase. Many students are requesting in-person tutoring.

FOOD ASSISTANCE

The new Food Assistance Refrigerated van is heading to Seaside Graphics for its brand wrap. This will take place next week and we expect to put it in service the week of March 11.

FOOD DRIVES

The Brookwood School in Beverly Farms ran a diaper drive for us and collected 26,193 pounds of diapers and 494 packs of wipes! The need for Food Assistance has been increasing every month, with January seeing the highest number of visits on record. This donation will help!

Forward March Food Drives are happening at local schools, as well as We Care Cereal Drives and Fitness Center toiletry drives. If you have an idea for a food drive or of a group that would like to get involved, please contact Deb.
